KOLAR DISTRICT.

Notification dated 3rd—11th August 1948.

No. J. 4. C. 165—47-48. Some of the permit holders of bus services in Kolar District have not equipped their buses with producer gas plants though they were insisted to do so long back and run the services daily for the convenience of the travelling public. Due to the acute shortage of petrol, Government have stressed the need for exercising strict economy in the use of petrol.

The permit holders of the bus services in the District are therefore instructed to arrange for their buses being fitted up with gas plants within a month from this date failing which their permits would be cancelled and fresh permits for running those services issued in favour of persons who could run those buses fitted with gas plants.
